*Ass-fucking can just
be the ticket to a rich
and satisfying sex life*

BACKDOOR ADVENTURES

In the town where we moved after I married Bill, the most exciting event of the year was the Memorial Day Parade. "Bill, doesn't anyone in this town do anything exciting?" I asked Bill one balmy summer evening.

"Mmmff," Bill replied indistinctly. He never could speak clearly when he had his tongue buried in my squishy pussy. I took a fistful of his chestnut-brown wavy hair and thrust my pussy harder into his hungry mouth, rotating my swollen cunt lips against his cum-slick lips, and then I let him up to breathe.

"What was that, hon'?" I asked, smiling. He was laughing and he moved up and sprawled on my belly, his dripping mouth coming down on mine. I tasted my own pussy juice, pungent but fragrant, and my tongue tasted his as we kissed deeply.

He pulled away, lying on his side. His huge cock, with the thick ropelike veins and smooth, red-purple tip, lay across my thigh and pointed right at my sex-swollen cunt. I caressed it, thinking that in a moment it would be buried right to his big, hairy balls in my twitching pussy. "I said nothing exciting ever happens in this stupid town," I repeated. "Okay, you got a big promotion and we had to move here but we had interesting friends and there were more things to do in Philadelphia."

From Philadelphia we had moved to a small city in southern New Jersey. It was quiet, safe, and totally boring. In one direction, an hour away, was Philadelphia. In the other, Atlantic City, but the garish gambling scene was not for us.

Neither was New York. What I hungered for was a more interesting day-to-day existence, friends who'd discuss more than the weather, taxes, or the high cost of living.

We lived in a modest garden apartment. Our neighbors were young executives, schoolteachers, and one or two dentists and lawyers. But they all seemed to be playing roles, cast as bright, moral, successful young Americans.

If any of them were doing drugs or doing shit, Bill and I didn't know about it. Not that we went in for that stuff, but I didn't want to wind up getting my kicks watching paint dry.

Bill grinned and put his hand between my legs, cupping the slippery swamp he found. He rubbed it gently and I groaned as I felt the first tingle from my clit. He rubbed the flowing juices down between my ass cheeks, lubricating that sensitive flesh; then I realized he was thrusting his long, bony middle finger into my ass.

"Careful, stud," I whispered but I raised my legs and spread them wide to give him easier access. "That hurts a little." He slid another half inch of finger inside and looked at me.

"Want me to stop?" he asked softly, moving his finger in and out but no deeper.

"N-no," I stammered as a thrust sent a tremor

through me. I reached down and fingered my quivering clit, thinking I'd come any second. Suddenly, Bill leaned down and clamped his teeth on the flesh of my neck beneath my chin. The shock and his simultaneous thrust of his finger made me scream and I bucked upward as a huge orgasm racked my body.

"Oh, shit!" I yelled. "You're killing me!" But I was coming in waves and I couldn't stop him as he suddenly pulled his finger out of my bung hole and positioned himself between my legs.

His enormous cock was throbbing as he fisted it and rubbed it up and down my cum-slick slit, rubbing it on my little nubbin as I came again and again. "Fuck me, Bill!" I yelled. "Ram that big cock in my juicy cunt!"

Bill obeyed . . . a little. He inserted the tip easily

into my flooded canal and I thrust my hips up, trying to capture it all. But he pulled out. "Stop teasing me!" I screamed. "Shove it in my pussy all the way!"

He grabbed my legs and pushed them higher so my knees were over his shoulders. Okay, I'd buy that, it exposed my fat-lipped pussy even more so he could... but when I felt it touch me his cock wasn't at my cunt.

He pressed his cock against my second hole. He was trying to ass-fuck me! I'd heard people talk about ass-fucking. I'd even seen a porn flick in a motel outside Philly, where this blonde got a huge dong shoved up her ass. It had excited me. It had been a real turn-on! But that was a movie; this was now. This was my ass!

And my little shit-chute was too small for Bill's tremendous horse-cock. I babbled this as I peered down,

watching him carefully aim his one-eyed snake at my tender rectum, felt that huge, wet, smooth dick press against my rosebud. I froze, fighting the invader, my asshole puckered tight.

"Relax, Gina," he murmured. He stopped doing that and slid it back up my quivering pussy, parting the flooding folds of flesh, rubbing it against my clit and making me cum still again. He plunged it deeper into my cunt this time, pulling it out shiny and slick with my pussy juice.

"Look at it, doll," he said softly. "It's nice and juicy. It'll slide in your ass easily."

I got an idea. Luscious, he said? "Kiss it first, Bill," I said softly. "You always refuse but this time, unless you want to finish up beating your meat, you'll kiss it."

Bill wanted to refuse but he was beyond control. He bent over and inhaled the fragrance of my hole and licked it, munching gently on my wide-open labia, nibbling on my clit, causing me to come still again.

I groaned in ecstasy, squeezing my thighs around

his neck, locking my ankles as I held him prisoner till the spasm passed. His face was red and he gasped for air when I finally let go. He began eating me lower and I raised my legs higher, thanks to the gymnastics and ballet I frequently practiced. I got my feet up behind my shoulders and presented my tender little bottom. "Lick it, Bill," I ordered. "Put your tongue out and rim me."

I felt his lips first, kissing and nibbling the inner, incredibly sensitive skin between my buns. Then he kissed my anus, his tongue tentatively touching my puckered little hole. I loved it. And I moaned with sheer pleasure as he stuck his pointy tongue inside. I had my hand down caressing my clit and I shoved two fingers inside, feeling the velvety smoothness of my inner flesh.

"That's it, Gina," Bill murmured as I opened my ass to his tongue. He plunged it deeper, his lips locked in my hole, his mouth-cock sliding in and out of my shit-chute. I writhed, cumming again and again. My ass was dripping with leaking cum from my pussy and his saliva. It felt as loose as my pussy after a terrific fuck.

"Bill, stop!" I moaned, reaching down and pushing that sucking, fucking mouth away. "Put your cock in there! Hurry!"

"I never thought you'd ask," he grinned, his face wet with my juices. He knelt and caressed his giant hard-on, the knob bulbous and slick. My God, I thought, am I going to let him stick that up my teeny

little ass?

He pushed it into my pussy once more. "To slick it up," he explained. Then he withdrew it and positioned it carefully at my ass. Now he eased it forward and I tightened my sphincter, anticipating sheer agony when that long, heavy column of gristle penetrated my tender hole. "Relax, Gina," he whispered. "I'll stop the moment it hurts. Let your asshole open up."

I did and the instant I stopped closing it against him I felt his fat dick slip inside me. It was slick with my juices, too big for my ass but like my cunt it could expand and take it. He stopped there, letting me adjust to his lovely prick in my bunghole.

"Want me to stop, hon'?" he asked softly. He twitched the head slightly, sending a spasm of delight through me.

"Don't take it out!" I begged. I spread my thighs wider, looking down, fascinated by the sight of his swollen, veined member halfway up my ass. "Fuck me in the ass, Bill! Hard!"

Lucky for me, Bill didn't take me seriously. He leaned forward, looking down, one hand caressing my dripping pussy, pinching my fiery clit, and then sliding two fingers into my sloppy cunt. When he finger-fucked me, I could feel his hand almost touching his cock which was now half-buried in my ass.

"Deeper," I groaned. It slid in, inch by inch, the bulging knob displacing half my intestines but it felt lovely. Then I could feel his balls snug against my ass; I craned my neck so I could see his cock buried to the

hilt. "Ah, that's great," I breathed. "Now, fuck me!"

He pulled it out slowly, then jammed it back all the way, pulled it out and rammed it back. I came with each thrust but I was building to a bigger, massive orgasm. "Faster, fuck me faster!" I yelled and he started pumping his piston harder and deeper until white fire burned in my brain and then I came unglued. I screamed and stiffened, tightening my bunghole on his cock, my ass off the bed as his cock erupted, filling my ass with his spurting spunk.

For the uninitiated, ass-fucking can open an exciting new aspect to your sex life. The important thing to keep in mind is that no one should ever be coerced into having anal sex. Once you and your partner agree to try going up the Hershey Highway, it should be done under the most relaxing conditions.

Your partner should be completely relaxed; ideally,

It was slick with my juices, too big for my ass but like my cunt it could expand and take it. He stopped there, letting me adjust to his lovely prick in my bunghole.

freshly showered or bathed. She should pay special attention to cleaning her asshole and surrounding areas, making sure that it's completely free of any fecal matter. Next comes the lubricant: without the proper lube, what should be a pleasurable experience can turn into a painful one. Be sure to purchase a quality brand of lubricant, one that's free of anything that may cause irritation or allergic reaction (water-based lubes are the preferred choice for many). And don't be stingy! Use plenty of love juice, and reapply if necessary.

It's important for anyone getting into anal sex fun to go slow and easy. Take your time, first gently inserting a well-lubed finger or two slowly up her asshole, allowing your partner to become accustomed to the newfound feeling. As she begins to relax and hopefully enjoy the sensation, ask her if she's ready to go "all the way."

Once you get the go-ahead, apply plenty of lube to your dick and ever so slowly, inch by inch, gently slip it in. Unless you are asked to otherwise, do not shove your way in too hard or roughly. Especially for the anal sex virgin, a gentle slow ride is the way to go.

The beauty of ass-fucking is that it doesn't "end" with just that. It allows you or your partner to simultaneously play with her pussy, only adding to the ecstasy of the act. Diddling her clit with your fingers or a vibrator, or inserting a dildo up her grasping pussy, will turn her into a sex-crazed animal.

As you can see, ass-fucking can just be the ticket to a rich and satisfying sex life.

A NEW DILDO OR TWO

I want to put on a hot show for you because you want to fuck me so bad...

My live-in girlfriend Mandy used to have a couple of dildos by our bedside but when we moved she said they must have been misplaced because she did not find them in the unboxing at the new place.

"Oh well, they weren't really used so maybe we should get a couple new ones?" she said. "They really never got used so what were we missing."

We hadn't had sex in a while either because all the packing and unpacking took it out of us. Until one day just after dinner Mandy said "Honey, I have something to tell you." She continues "Well you know we haven't done it in a while, I thought that I'd pick up a new dildo, maybe we could have a little fun when it arrives."

I was looking out for the post every day. I hadn't noticed any packages arrive and Mandy hadn't mentioned anything for over a week. After work a couple of Fridays after she had broched the subject, I asked if they had gone missing. Mandy had a little smile on her face. "I was wondering when you were going to ask, the packages arrived on Tuesday but I was waiting to show you, so I hope you don't mind."

I told her not in the least.

"I'd been hoping that we could spend a Friday night playing as there was no work the next day." Mandy told me to get undressed and lie on the bed while she got ready.

I was ready and waiting for her when she entered in a slutty bikini that she had previously refused to wear, and a pair of cum-fuck-me heels. Mandy remained in the doorway, saying "I want to put on a hot show for you and because I know you want to fuck me bad, I'm going to need to restrain you a little, do you mind? I got them with the order." Mandy puts on a dressing gown and walks over to me, "You really want to see me put on a show, don't you baby?" Mandy says.

"I sure do. I can't wait." I say back to her.

Mandy takes out some cuffs from the gown pocket and sitting me up against the bed, cuffs my wrists to each bedpost. Mandy then goes down to suck on my cock, making it glisten. Sliding her tongue around the tip, she pulls out some ribbon and spreads my legs wide tying them to the frame of the bed.

Soon, she moves off the bed, letting her dressing gown fall to the floor to again reveal her sexy outfit.

Mandy says "You know the wrapper on this said 'slutkini.' It's so tiny and see through it would be like going naked on the beach." She runs her fingers through the tiny waist strap of the bikini bottoms pulling them tighter before letting them fall to the floor.

"Imagine all the men looking at my naked body? Oh, I'd better take the top off as well to show you. Do you like how I look, my big tits for everyone to see.

You need to have a closer look at my shaved pussy, don't you. You've never seen it like this before, have you baby?"

Mandy is now up on the bed straddling my face. "Do you want to eat it honey?" She then slips two fingers into her pussy saying "I bet you would, I bet you'd like to fuck it as well."

"Oh Mandy, yes!" I say. Mandy now turns around to show me her behind. Her pussy lips full and moist are forming a huge bud, ripe for licking.

"You want it on your tongue, don't you?" Mandy purrs. She places a foot on the headrest exposing her pussy completely to me. As she looks down, she lowers the wet bud onto my waiting tongue. "Lick it from the front to the back." she says. I do, starting with her clit all the way to the edge of her pussy. "That's so nice honey," Mandy purrs at me, "I know how much you want to fuck me right now looking at your cock. "Now lick all the way back." she insists.

I go a little further, but Mandy says "I bet the men on the beach would lick it for me, in fact I know they would." I lick all the way back to her ass and as I reach it, Mandy says "Now stay there, it feels so good, it's too long since I had my ass licked like that."

Mandy says "You know I'm a slut for you, don't you. After all, you got me the 'slutkini'." Mandy hasn't moved her ass from my tongue, but now she leans over to the bedside night stand. "Baby, they sent me this," with Mandy presenting a sizable dildo. "It's bigger than the white one I had before."

Mandy now moves away from me a few inches and slides the dildo across her wet parted lips.

"What if some of the men on the beach had a nice big cock like this?" Mandy slides it slowly back and forth into her pussy.

"Oh baby, this feels as good as it did on Tuesday." she teases.

I say, "You tried it without me?"

She replies, putting on a huge grin, "Well I just was waiting so long, and it's been soooo long. Does watching me turn you on, baby?"

I respond quickly, "Yes Mandy, can I lick you again?" Mandy lowers herself back to my face as she fucks her glistening pussy with the big dildo, and I lick her ass as before. Mandy moans in appreciation,

"You're such a good lover," now holding the dildo inside her with two fingers she rubs her clit with her thumb to reach a climax. "I can't help thinking of all those cocks on the beach getting hard for me. I bet two would be better than one." again teasing me. I jiggle one of the cuffs with Mandy smiling at me saying "All in good time, remember the show."

"You've done a real good job on my ass." she says as she slides the dildo out from her pussy towards her anus. "Did you ever get to fuck my ass before?" Mandy enquires continuing quickly, "No you didn't. Imagine if you had licked my ass like that before, you could have had it like this!" Mandy nudges the head of the dildo inside her puckered hole. and moans, "That is so much better." Mandy moves to put the other end of the dildo into my mouth and

begins to take it inch by inch into her welcoming hole.

"God how I've missed that feeling!" she cries out. With a few more loud moans, Mandy now has the dildo buried deep in her ass. With me holding it there, Mandy again reaches for the night stand. I can't see what she is doing right away.

She leaves the dildo in her ass lowering herself down beside me. Grabbing a couple of pillows, she raises her ass so I can see her exposed holes. Mandy now shows me another dildo saying this one looks bigger doesn't it. She slides it across her pussy lips as she had done with the other one.

"Fuck, Mandy!" I blurt out. "You look too hot, show me how you take it!" She spreads her lips and slides the big head across them and tries to slide it in.

"It's so big, honey." Mandy says.

"Please push it in." I say. She is now rubbing it forcibly across her lips, and finally gets the first half inch inside before it slips out. Trying again she takes an inch again, and then more.

"Fuck that thing!" I tell her. "Take it in your slutty pussy' like we are at the beach. I need you to cum for me." I tell her. Mandy reaches over with a key and unlocks one of the cuffs. I pick up the key as

she drops it and undo the other before untying my ankles. I get on my knees and look down at her taking those two big dildos.

"Fuck those big dicks Mandy, let them fuck your ass and pussy hard." I moan out to her. Mandy is using both hands to fuck her ass and pussy with the two big dildos.

"I love to have cock in my ass and pussy at the same time." Mandy moans out loudly, "Cum over me while I fuck them."

My cock is ready to burst as Mandy finished talking. Shooting a huge load of cum over her entire body. Mandy now moans so loudly I am sure that the whole street could hear her climax this time. The dildos now slide slowly out of her ass and pussy, leaving them agape.

Mandy asks "Will I have to tie you up again next time?" I say I hope not. Mandy continues, "You know I love you but I need to let you know something, baby?" I say. Mandy adds, "I had a boyfriend at college who I cheated on. He was just a boyfriend, but I cheated on him with another guy. It felt so dirty the cheating, so I was really slutty with the new guy I was cheating with. I always had a clean shaven pussy for him, like now and he was the first one to fuck my ass. He licked it for two weeks before I let him do it, then he told his friends about me and well, that was my first time with a few guys."

I grab the biggest dildo and start to slide it into Mandy's pussy again. "Tonight was so good Mandy, I want to eat your pussy, your ass, I want to watch you take those dildos again." I say.

Mandy adds, "I want you to as well honey. If you want to make that happen, I'll need the dildos again. Tell me you want me to be your slut."

I'm fucking Mandy harder with the dildo as I bend down to kiss her tits and then her mouth. "Can I watch you fuck them." I ask.

Sometimes she replies, sometimes she doesn't.
